

Everyone's Welcome

VERSE

1, 2, 3, 4!

I'm looking for a new friend –
who could it be?

Someone I've not talked to, possibly?
Would they want to hang out with me?
Everyone's welcome in our community!

CHORUS

Partner up!

Find a friend;

ask them, "How are you?"

Create a secret handshake,
do a fist bump too.

Now go find someone new!
