

Perspectacles

GOAL: *Provide a framework to students for considering other perspectives before judging or reacting.*

Instructions:

1. Queue up this video: [Perspectacles](#).
2. Play the video for students.
3. Lead a discussion using the following questions:
 - What did notice or think was important in the video?
 - What caused a transformation in the main character? Why?
 - What don't we get to see every day walking down the halls?
 - What are some issues that people at our school might struggle with?
 - How might having your own “perspectacles” change how you treat the people at our school or in your life?
