

Mystery Motivator | Implementation Fidelity Checklist

Rationale: Utilize the Mystery Motivator (MM) intervention to reward students for appropriate behaviors with elements of uncertainty.

Preparation

Step	Did I complete this step? (Yes/No)
Decide when to schedule the intervention (daily, during challenging behaviors).	Yes/No
Define 2-4 target/problem behaviors and match with replacement behaviors.	Yes/No
Calculate a behavior cut-off based on baseline data.	Yes/No
Make a poster of replacement behaviors.	Yes/No
Create the reward envelope with motivating rewards.	Yes/No
Format the Mystery Motivator calendar (60% of instructional days with 'M').	Yes/No

Teacher Framing

Step	Did I complete this step? (Yes/No)
Announce the Mystery Motivator game and point to the posted replacement behaviors.	Yes/No

Implementation

Step	Did I complete this step? (Yes/No)
Record target/problem behaviors during the MM session.	Yes/No
Uncover the date on the Mystery Motivator calendar at the end of the session.	Yes/No
Provide MM feedback, reward, and/or encouragement based on the outcomes.	Yes/No
Gradually fade the intervention if effective (reduce frequency of 'M's, lower behavior cut-off).	Yes/No
