Social-Emotional Learning Surveys

Use research-backed surveys to evaluate Tier 1 SEL supports and to identify students in need of Tier 2 and 3 supports across CASEL-aligned competencies, find opportunities for growth, and set goals to drive student outcomes.

Quick, Flexible Check-Ins (Tier 1)

Build engagement and sense of belonging among students by following up on students' survey responses with the versatile check-ins tool. Select check-in questions from a bank of 80+ items or customize content for your specific needs.

Create, Monitor, and Track Interventions (Tier 2 & 3)

Create SEL intervention plans to reach students' academic, behavior, and attendance goals. Progress monitor and report on students' response to SEL interventions. Receive recommendations of the most promising research-based intervention strategies from [Playbook](#), exclusive to Panorama's district partners.
